Location: Face to face delivery South-East London, agile working for all other duties, office location Southwark

Reports to: Service Manager

Contract: Permanent (subject to funding)

Hours of work: Part time 17.5 hours weekly – sometimes worked flexibly

Role Description

In this role you will provide short-term intervention to support children, young people and their non abusive parents or carers who have been affected by current/historical child sexual abuse. You will also be required to attend medicals for children and young people across Lambeth and Southwark at an NHS clinic. The purpose of this intervention is to offer support and advocate to secure longer term interventions for both children and their families according to the needs they identify themselves. The sessions are delivered in the community in Lambeth, Southwark, Lewisham, Bromley, Bexley and Greenwich and will take place over a 12- week period during which you will deliver 6-8 sessions. This work, although not therapeutic in nature, is trauma responsive.

Key Responsibilities

1. Delivering effective one to one support and advocacy to children, young people and their families in line with the Safer London model of work in collaboration with young Londoners so that their voice is centred, and they receive the required support to meet their individual assessed needs
2. Work in a manner which honours our organisational values and is responsive to the trauma and experiences young Londoners, families and communities experience.
3. Carry out robust risk assessments and strengths-based needs assessments, ensuring safeguarding is the priority, to ensure the most appropriate intervention is offered and risks are managed and escalated appropriately.
4. Maintain essential records accurately ensuring high quality case recording.
5. Complete reports (which may be shared with statutory bodies such as the police, courts, children social care and can be shared with the family) that accurately reflect the work undertaken in professional manner.
6. Maintain effective communication both written and verbal whether this is virtual, face-to-face.

7. Make appropriate onward referrals, signposting children and young people to support services and positive activities as and when required.
8. Work with partners, communities and other key stakeholders to deliver the service effectively.
9. Work creatively with colleagues to generate project resources and materials which are accessible to those with a range of needs as required
10. Act in accordance with safeguarding legislation and guidance, in addition to Safer London's practice guidelines and wider pan London processes and protocols.
11. Undertake any other duties as required and commensurate with the level of this post.
