Young Londoner's charter

Through this charter,
we will continue to advocate
for all young Londoners

As part of our unwavering dedication and commitment to young Londoners we will

Amplify young Londoner's voices to ensure their priorities and rights are recognised and championed.

Support young Londoners to be able to understand consent and have the ability to make their own choices.

Support young Londoners to make their own decisions through their journey with Safer London.

Engage with external partners involved with children and young people, to encourage them to listen to and support the needs of all young Londoners.

Foster an environment where our organisational methods, can be openly challenged.
